2025 ANNUAL REPORT**

THE STATE CORPORATION COMMISSION

The State Corporation Commission (“Commission”) is an independent state agency established by the Constitution of Virginia. The Commission is organized as a fourth branch of government with its own legislative, administrative, and judicial powers. The Commission’s authority encompasses utilities, insurance, financial institutions, securities, retail franchising, and railroad safety. It is the state's central filing office for corporations, limited partnerships, limited liability companies and Uniform Commercial Code liens. The Commission also assesses public service corporations for state and local taxation.

THE BUREAU OF FINANCIAL INSTITUTIONS

The State Corporation Commission’s Bureau of Financial Institutions (“Bureau”) is responsible under Title 6.2 of the Code of Virginia for the regulation and supervision of all depository and non-depository financial institutions. Depository institutions are comprised of state-chartered banks, savings institutions, and credit unions. Non-depository institutions consist of trust companies, industrial loan associations, consumer finance companies, mortgage lenders and brokers, mortgage loan originators, money transmitters, credit counseling agencies, check cashers, sales-based financing providers, short-term lenders, motor vehicle title lenders, debt settlement services providers, and qualified education loan servicers. Each is required to obtain a license from the Commission, with the exception of check cashers and sales-based financing providers, which are required to register pursuant to Chapter 21 and Chapter 22.1 of Title 6.2 of the Code of Virginia, respectively.

Within the Bureau, the Administration & Licensing Section is responsible for processing and investigating all applications filed by depository and non-depository financial institutions for certificates of authority and licenses, and for processing check casher and sales-based financing provider registrations. The Non-Depository Supervision Section is responsible for the supervision (examination) of all non-depository institutions, with the exception of trust companies. The Depository Supervision Section supervises banks, credit unions, savings institutions and trust companies.

As of December 31, 2025, the Bureau of Financial Institutions regulated 713 mortgage brokers with 839 offices, 180 mortgage lenders with 501 offices, 364 mortgage lenders and brokers with 2,709 offices, and 24,222 mortgage loan originators.

During 2025, the Bureau received 243 applications for mortgage lender/broker licenses, 670 applications to establish additional mortgage lender/broker offices, 41 applications and for permission to acquire control of existing mortgage lender/broker licensees, 5,850 applications for mortgage loan originator licenses, 10 exempt mortgage lender/broker registrations, and one application for determination of a bona fide nonprofit status. The 6,815 total mortgage-related application filings increased by 11.7% from the 6,099 mortgage-related applications received in 2024. A table summarizing annual final dispositions for mortgage-related applications and other status changes for mortgage licensees follows.
